

REQUEST FOR IMPEACHMENT

We, the undersigned residents of the Town of Soldier Summit, Wasatch County, Utah, do ask and request that the County Attorney, J. Harold Call, begin impeachment procedures against the town officials:

Mayor George Schade

Councilwoman Wauneta (Wilson) Schade

Councilwoman Ruth (Schade) Rhinehart

Councilwoman Nora Jean (Wilson) Ebaugh

for the following reasons:

1. No notice of town meetings are being posted.
2. Closed meetings are being held without notice to all council members.
3. Meetings that are held seem to be under the direction of the policemen with no minutes taken.
4. Refusal to give accounting of city money - no financial reports have been made public (town books never available).
5. Money being spent without consent of complete council.
6. Mayor's daughter being paid excessive amount for part time work.
7. Part time policemen being paid as much for 3 or 4 hour shift as full time officers salary.
8. Police car being used for personal transportation of policemen out of city and as school bus for Mayor's grandchildren.
9. Town money being spent on ccunthouse, jail, breath analyzer after town voted to upgrade the water system.
10. The Mayor by not exercising proper authority over the police department has caused disgrace and uncalled for publicity to the town and its people, which had resulted in several law suits against the town.
11. The Mayor has by his continued absents from the town shown his lack of interest in his office and total disinterest in town problems.
